

Would you like to launch model rockets in or near the Hampton Roads, VA area? The South Eastern Virginia Rocketry Association (SEVRA) would like to invite you to come launch with us - hobbyists, TARC teams, students, parents, children, visitors, Scouts, Clubs, Groups, etc.

Non-members and spectators are always welcome!

We launch from small low power 'A' motor size rockets to large high power 'M' motor size rockets. We also launch experimental motors.

Nationally affiliated: NAR Section #621, TRA Prefecture #82

WHEN: The first and third Sat. of each month from ~10AM—~4PM (Dec.—May)

WHERE: 300 acre field below the Dismal Swamp. Address - 284 US Highway 158, west of Elizabeth City, NC 27909; GPS - 36.434263, -76.466478

For more information and latest schedule, please visit:

<http://www.sevra.org> and <https://www.facebook.com/groups/SEVRA621/>

Contacts: Randy Regan at randy@regan.org, Phill Ash at pflash1@gmail.com

Club Membership: \$25/year. **Non-Members:** Launch fees at each launch - \$10 HP, \$5 MP, and LP is free. See webpage for more details.

Other activities: The Club also has Low Power Scout rocket build sessions and launches, Club Trips to other Club Launches and NASA launches, TARC sessions, and Club projects.
